EDUCATION

Computer Science Engineering
SRM University, Sonepat
08/2020 - Present   *8.33 CGPA*

Senior Secondary
Marigold Public School, New Delhi
04/2018 - 04/2020

CERTIFICATES

• UDEMY - Internet and Web Development Fundamentals (12/2022 - 12/2022)

• SKILLUP - Advanced C++ (10/2022 - 12/2022)

PROJECTS

AYTO
□ Built an e-learning website named AYTO (anything you think of) for those interested in learning new technologies. All the top rated free courses are listed here to eliminate time wastage that goes in looking for courses on thousands of platforms.

Landing Page Website
□ Built a landing page for sanitary ware brand 'RENVOX'. This helped the business gain an online presence and brought in new customers.

Billing System
□ Built a basic billing system for a local business that deals with various fitment products to have a hands on experience of C++.

Portfolio Page
□ Built a personal portfolio page to showcase my projects and creativity. This helped me to have practical knowledge of front end development and web hosting.

ACHIEVEMENTS

Google Learn to earn (01/2022 - 02/2022)
Completed all 3 levels of the challenge which introduced me to qwicklabs, achieve badges along with google cloud goodies.

Active participation in campus workshops
Participated in web development and app development workshops held by GDSC and received appreciation certificates.

Awarded first position in inter school science quiz competition.

National Science Olympiad Rank Holder
